Subject: Draft Letter and TSD for PADEP Ft. McMurray EE

Hello,

I have attached the drafts of the concurrence letter and TSD for PADEP's Ft. McMurray exceptional event request. Please take a look when you get a chance and send me your edits/feedback. I am thinking that these documents are far enough along that we could send our concurrence package up to the RA by the end of the week, but let me know what you think.

Best,

Verena Joerger
